TEGELS - NATUURSTEEN

LOTEN STOCK ZEDELGEM 2021
NATUURSTEEN - KERAMIEK

Beste klant,

*In deze catalogoog vindt u een selectie van **pareltjes natuursteen en keramiek**.
Rechtstreeks uit onze magazijnen in Zedelgem en Oostkamp.*

*Als pluspunt zijn al deze loten **onmiddellijk leverbaar**. Een groot voordeel gezien de huidige internationale transportmarkt met lange wachttijden kampt.*

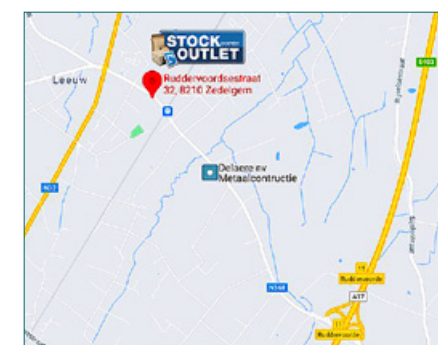

*Wij bieden deze tegels aan een **scherpe prijs**, ze zijn wel relatief beperkt in stock. Dus op is op. Maar als klant of partner staat u vooraan in de rij. Begin alvast eens met te kijken in deze catalogoog of spring eens binnen in Zedelgem waar het grootste deel mooi gepresenteerd staat. Er is ook een terraspark en ruime parking.*

Topkwaliteit blauwsteen, leisteen, zandsteen, basalt, dolomiet, travertine, ... Naast de tijdloze natuursteen hebben we ook verrassend trendy loten keramiek, marmocino en specials om het aanbod compleet te maken.

Ons team heeft de expertise en staat klaar om de ideale natuursteen of keramiek met je project te matchen.

Wees welkom.

Team Ceramico.
